DEFENSE, HAWAII DEPARTMENT OF	EMF-2021-BR-006-0005	KAUAI, COUNTY OF	Coco Palms Resort Acquisition and Demolition

Subapplications selected in the FY 2021 National Competition performed between 31% to 98% in the National Panel Review

Subapplication Qualitative Performance

FEMA convenes a National Review Panel to score competitive subapplications based on qualitative evaluation criteria during the National Competition. The subapplication performance is a percentage that is measured against the BRIC FY 21 NRP subapplication pool. The percentage in the visual is not a reflection of the subapplication's numerical score in the NRP.

Criteria Overview

The information in the table below details the subapplication performance against the BRIC FY 21 NRP subapplication pool within each criterion.

- **Top 10%-** The subapplication performed within the top 10% of subapplications in FY 21 NRP
- **Above Median-** The subapplication performed within the median or above the median in the NRP
- **Below Median-** The subapplication performed slightly below or below the median in the NRP
