- DoD 5500.07-R, Joint Ethics Regulation, change 7, dated 17 November 2011.

4. Full time Support Personnel shall not engage in employment outside the Federal government that conflicts with official duties and responsibilities. Such employment that detracts from readiness or poses a security risk may also be limited or denied. Moreover, in order to ensure safety, work schedules on requests for off-duty employment must include at least a six hour rest period (excluding time to travel to and from employment, home, or duty) between the end of the individual's off-duty employment and the start of official duties.

Federal Employees' Health Benefits (FEHB) Program ✕

The Federal Employees Health Benefits (FEHB) program is an employer-sponsored group health insurance program for Federal employees and their families. Employees can choose from Fee-for-Service (FFS) plans, Health Maintenance Organizations (HMO), Consumer-Driven Health Plans (CDHP), and High Deductible Health Plans (HDHP). Employees can enroll, make changes, or cancel coverage during the annual Federal Benefits Open Season or if the employee experiences a qualifying life event. Permanent employees and certain temporary employees are eligible for coverage unless their appointment is excluded from coverage by law or regulation. The Office of Personnel Management (OPM) has the overall responsibility for the administration of the FEHB Program. Premiums are based on the plan and option an employee chooses and are shared by the employee and the employing Agency. The employing Agency's share is set by law and cannot exceed 75% of the total premium. Part-time employees receive a prorated contribution and temporary employees are responsible for the full amount of the premium. Premiums are paid on a pre-tax basis (known as premium conversion) unless the employee waives this option.

Thrift Savings Plan (TSP)

GRB Platform MENU ▾ TOTAL COMPENSATION STATEMENT 📄

Thrift Savings Plan ✕

The Thrift Savings Plan (TSP) is a defined contribution retirement savings and investment plan for Federal employees and members of the uniformed services. Eligible employees can contribute up to the IRS elective deferral limit each year and invest in any of the six available funds. Employees may also receive automatic and matching contributions from their employing Agency, depending on the employee's retirement coverage. Employees can also make catch-up contributions beginning in the year in which they turn age 50. Employees may make Traditional contributions (pre-tax) and/or Roth contributions (after-tax) on a regular pay period basis either in whole percent increments or whole dollar amounts. Under certain circumstances, employees can borrow their own contributions or request an in-service withdrawal. When an employee leaves Federal service there are multiple withdrawal options available including a single payment, a series of monthly payments, a life annuity, or a combination of these options. In order to participate in the TSP, employees must be covered by an eligible retirement system and be in a pay status. The Thrift Savings Plan (TSP) is administered by the Federal Retirement Thrift Investment Board, and the assets are held in the Thrift Savings Fund.

Federal Employees Group Life Insurance (FEGLI) Program

The Federal Employees' Group Life Insurance (FEGLI) Program is an employer-sponsored life insurance program for Federal employees. FEGLI is group term life insurance and does not build any cash value. The program offers Basic Life Insurance coverage plus three forms of Optional insurance (additional insurances on the employee's life as well as family insurance). Employees are automatically covered by Basic Life Insurance, unless the employee waives coverage or is in an appointment excluded from coverage by law or regulation. If an employee is eligible for and enrolled in Basic Life Insurance coverage, the employee can also elect Optional insurance. Although there are no regularly scheduled open seasons to enroll, if an employee has a qualifying life event he or she may be able to enroll or increase their coverage. The Office of Personnel Management (OPM) administers the Program and establishes the premiums. OPM has a contract with the Metropolitan Life Insurance Company (MetLife) to process and pay claims through the Office of Federal Employees' Group Life Insurance (OFEGLI). The employing Agency pays one-third of the premium cost for Basic Insurance and the employee pays two-thirds. Employees pay the full cost of any elected Optional insurance.
