Executive Summary

The ultimate purpose of Hawaii's war memorials is to honor those who made the supreme sacrifice in defense of our country's freedom. The goal of the Hawaii State- County Veterans' Cemetery system is to provide a final resting place for veterans and their eligible family members. The report includes ratings for each of the eight State veteran cemeteries, eleven State memorial sites honoring our veterans and one veterans' home. Seven of the above-mentioned sites are located on Oahu, seven on Hawaii, one each on the islands of Maui, Molokai and Lanai and three on Kauai.

Act 63 passed by the Eighteenth Legislature, 1995, State of Hawaii and amended in 1997, tasks the Office of Veterans Services to: "Inspect every three years all state war memorials and veterans' cemeteries for repair and maintenance deficiencies, and report all repair and maintenance problems at these memorials and cemeteries to the adjutant general, comptroller, and the legislature prior to the start of the next regular session." The purpose of these inspections is to ensure that these war memorials and cemeteries are in good repair and worthy of the honor and respect due the memories of those they represent.

Inspection teams, using the Inspection Checklist, went to each of the twenty sites and performed a thorough evaluation. Each site was deemed to be either: excellent, good, or fair. An excellent site had no discrepancies and was clean and well maintained. A good site had minor discrepancies; however, it too was clean and fairly well maintained. A fair site required repair or maintenance. This may be ground maintenance, structural repair, replacement of the memorial or general cleaning and upkeep. In this report, one memorial was rated "poor" by the inspector.

This report concentrated only on State war memorials and cemeteries within the Hawaii State- County Veterans' Cemetery system. The National Memorial Cemetery of the Pacific or Punchbowl as it is known, is a federally funded cemetery located on Oahu and was not included in this report.

Introduction

The State's war memorials are intended to remind future generations of Hawaii's residents of our values and freedoms for which so many of our sons and daughters sacrificed their lives for. The Hawaii State-County Veterans Cemetery system is the final resting place of our country's fallen heroes, comrades in arms, and their immediate family members. The ultimate goal of both the cemeteries and monuments is to honor the men and women who have served honorably in the armed forces of the United States.

Hawaii's State war memorials and veterans' cemeteries are our promise to veterans that their deeds, service, names will not be forgotten. In 1976, the legislature declared that the historical heritage of the state is among one of our most important assets. This sentiment was codified in section 6E-1 of the Hawaii Revised Statutes.

It is the State's policy to provide leadership in preserving, restoring, and maintaining historic property, and to engage in programs at all levels of Government that promote education, inspiration, pleasure, and enrichment for its citizens. These programs ensure the preservation and enhancement of historic property such as our memorials, veterans' cemeteries and veterans' homes for future generations.

Purpose of the Study

The purpose of this study as specified in Act 63, as amended: is to "Inspect every three years, all state war memorials and veterans cemeteries for repair and maintenance deficiencies, and report all repair and maintenance problems at these memorials and cemeteries to the adjutant general, comptroller, and the legislature prior to the start of the next regular session." This will ensure that potential problems are detected and scheduled for repair as expeditiously as possible.

As required by the Act, this report is provided to the Adjutant General, the State of Hawaii Comptroller and the Legislature.

Scope of Assessment

In total, twenty locations were assessed. Included in the assessment were all war memorials, one freeway maintained by the State of Hawaii and eight veteran's cemeteries comprising the Hawaii State-County Veterans' Cemetery system. The numbers and location of war memorials including freeway and veterans' cemeteries are shown in Table 1.

Methodology

Office of Veterans Services (OVS) staff, members of the Advisory Board on Veterans Services or selected experts were asked to inspect each site using an inspection checklist. The checklist contained fourteen items used to identify any maintenance, repair, American with Disabilities Act (**ADA**) requirements and an overall rating of the condition of the site. The individual categories listed on the inspection checklist were: grounds, roads, burial sites, headstones, plaques and features, structures or buildings, safety, room, bed, pool, drainage, utilities, ADA, and other. These items were rated as satisfactory or unsatisfactory with remarks as necessary to explain the rating. The overall condition of the site was rated as excellent, good, or fair. An excellent site had no discrepancies and was clean and well maintained. A good site had minor discrepancies; however, it too was fairly clean and well maintained. A fair site required repair or maintenance. This may be ground maintenance, structural repair, replacement of the memorial or general cleaning and upkeep.

Repair and Maintenance Findings

The assessment teams evaluated twenty sites. Three cemeteries were rated excellent which was the West Hawaii Cemetery, Makawao Veterans Cemetery, and Lanai Veterans Cemetery. The Kauai Veterans Memorial Hospital and Waimea War Memorial Swimming Pool on Kauai were rated in excellent condition. The Interstate H-2 Veterans Memorial Highway on Oahu was rated in excellent condition. Lastly, the Yukio Okutsu Veterans Long Term Care Home and the Keaukaha Military Reservation (KMR) Armory Plaque both in Hilo were rated in excellent condition. A total of **eight** State Memorials were rated overall in **excellent** condition.

Nine sites were rated overall in **good** condition in need of a few repairs. That would include four cemeteries; the Hawaii State Veterans Cemetery in Kaneohe, Hilo Veterans Cemetery No. 1, and Hilo Veterans Cemetery No. 2 and Hoolehua Veterans Cemetery on Molokai. The Armed Forces Eternal Flame, Korean and Vietnam War Memorials and the 29th Infantry Vietnam Veteran Memorial on Oahu were rated in good condition. Lastly, two memorial monuments were rated in good overall condition which includes the General Lyman Airport Memorial and Pahala Memorial.

Two sites were rated in **fair** condition and in need of major repairs. The Kauai Veterans Cemetery and Varsity Victory Volunteers Sculpture on Oahu were rated fair.

Finally, only **one** site was rated in **poor** condition and in need of major repairs. The World War II Monument on Oahu.

The following locations were rated as follows: Table 2. State Memorial and Veterans Cemeteries by "Condition".

Inspection Report

Name of Site: **Armed Forces Eternal Flame**

Date: January 15, 2020

Type: Memorial

Island: Oahu

Ownership: State

Description of Site:

These Memorials are located at the 29th Brigade Headquarters in Kalaeloa. There are two 3 by 2 feet bronze plaque mounted on a freestanding moss rock. The Memorials are dedicated to the gallant men of the 29th Infantry Brigade who served with honor and distinction and gave their lives while serving the country during the Vietnam and Gulf War for all humanity. 11 It is owned and maintained by the State Department of Defense.

The monument is in the State Capitol area adjacent to Washington Place and the State Department of Health building. The Eternal Flame is a black stone sculpture in a Royal Palm courtyard. It is dedicated to the men and women of the State of Hawaii who served in the armed services of the United States. This monument is maintained by the State Departments of Accounting and General Services and Land and Natural Resources.

The Cemetery is in Kaneohe adjacent to Hawaii Memorial Park. It is a 123-acre complex with an administration building, flag plaza, maintenance facility, committal shelter, columbaria and water tank. The Cemetery was built in 1990 and completed in 1993. The Cemetery is owned and maintained by the State Office of Veterans Services.

This Highway extends from Pearl City to Wahiawa. 11 America became a great nation because every time our belief and ideals have been threatened, our soldiers have stepped forward to defend them. They risked their lives for the freedoms we enjoy today, and we will be eternally grateful." Governor Benjamin J. Cayetano, October 28, 2002. The highway is owned and maintained by the State Department of Transportation, Highways Division.

The Korean and Vietnam War Memorials are located on the grounds of the State Capitol Building and comprised of black marble stone blocks mounted against a moss rock wall. The names of the fallen heroes are inscribed on each block. The site is maintained by the Department of Accounting and General Services.

The Varsity Victory Volunteers Sculpture is located at the University of Hawaii, Student Services Center. This sculpture is mounted on a wood framed plastic laminated base. It is dedicated to the Nisei volunteers who worked on military construction projects. In 1942, these volunteers formed the nucleus of the 442nd Regimental Combat Team. The State Foundation on Culture and the Arts erected the sculpture. The Sculpture was inspired by the Japanese folk story, "Momotaro, U the peach boy who came from humble beginnings who overcame great odds and adversity to save his village. This sculpture is owned and maintained by the University of Hawaii.

This World War II monument is located on the corner of King and Punchbowl streets. It is a white stone tower mounted on a four-foot base surrounded by a link chain fence. The inscription on the tower reads, "In honor of all Americans of Hawaii who died in this World War that the beauty and freedom of our land might be preserved for all humanity. 11 This monument is owned and maintained by the State Department of Accounting and General Services.

Type: Memorial

Island: Oahu

Ownership: State

Description of Site:

These Memorials are located at the 29th Brigade Headquarters in Kalaeloa. There are two 3 by 2 feet bronze plaques mounted on a freestanding moss rock. The Memorials are dedicated to the gallant men of the 29th Infantry Brigade who served with honor and distinction and gave their lives while serving their country during the Vietnam and Gulf Wars. It is owned and maintained by the State Department of Defense.

The monument is in the State Capitol area adjacent to Washington Place and the State Department of Health building. The Eternal Flame is black stone sculpture in a Royal Palm courtyard. It is dedicated to the men and women of the State of Hawaii who served in the armed services of the United States. This monument is maintained by the State Departments of Accounting and General Services and Land and Natural Resources.

The Cemetery is in Kaneohe adjacent to Hawaii Memorial Park. It is a 123-acre complex with an administration building, flag plaza, maintenance facility, committal shelter, columbaria and water tank. The Cemetery was built in 1990 and completed in 1993. The Cemetery is owned and maintained by the State Office of Veterans Services.

This Highway extends from Pearl City to Wahiawa. 11 America became a great nation because every time our belief and ideals have been threatened, our soldiers have stepped forward to defend them. They risked their lives for the freedoms we enjoy today, and we will be eternally grateful." Governor Benjamin J. Cayetano, October 28, 2002. The highway is owned and maintained by the State Department of Transportation, Highways Division.

The Korean and Vietnam War Memorials are located on the grounds of the State Capitol Building and comprised of black marble stone blocks mounted against a moss rock wall. The names of the fallen heroes are inscribed on each block. The site is maintained by the Department of Accounting and General Services.

The Varsity Victory Volunteers Sculpture is located at the University of Hawaii, Student Services Center. This sculpture is mounted on a wood framed plastic laminated base. It is dedicated to the Nisei volunteers who worked on military construction projects. In 1942, these volunteers formed the nucleus of the 442nd Regimental Combat Team. Name of Site: Hilo Veterans Cemetery No. 1

Date: January 15, 2020

Type: Cemetery

Island: Hawaii

Ownership: County

Description of Site:

This Memorial is located at the Hilo Airport. The monument honors Brigadier General Albert Kualii Brickwood Lyman. He is honored for being the first person of Hawaiian ancestry to attain the rank of General. The monument is a 4 by 4 feet bronze plaque mounted on a moss rock wall and landscaped with indigenous plants. It is State owned and maintained by the Department of Transportation.

The Hilo Veterans Cemetery No. 1 is a five-acre site situated in the northern section downtown Hilo. The cemetery is in full capacity, except for a few reserved plots and niches in the columbarium. The 442nd Veterans Club, Hilo Chapter, completed the committal shelter in 1951. It was constructed to honor those killed in action in WWII. There are two plaques on the flagpole. One honors those killed in the sinking of the USS Transport Frank. The other honors those killed in the Korean Conflict. The names of the WWII, Korean War and Vietnam War veterans are listed on an Honor Roll within the committal shelter. The cemetery is maintained by the County of Hawaii, Department of Parks and Recreation.

The Hilo Veterans Cemetery No. 2 is next to the Hilo Veterans Cemetery No. 1. The cemetery is on a seven-acre parcel and was opened in 1979 to accommodate veterans, and their dependents for burials. The cemetery is owned by the County of Hawaii and maintained by the Department of Parks and Recreation.

The 18 inches by 24 inches bronze plaque is mounted on the wall of the KMR Armory. Its honors Hawaii Army National Guard comrades of the Vietnam War who died during that conflict. It reads: "In memory of the gallant men of the 29th Infantry Brigade from Hawaii who served with honor and distinction and gave their lives while in service of their country." It is State owned and maintained by the State Department of Defense.

The Pahala Memorial was a plaque mounted on the fence of the Pahala School tennis court. The plaque was made of sheet metal in the shape of a shield honoring nine veterans. It is State owned and maintained by the Department of Accounting and General Services.

The West Hawaii Veterans Cemetery was dedicated on November 9, 1997 and is in the North Kona District of the County of Hawaii, approximately 12 miles north of Kailua, Kona. Access to the cemetery is from the Queen Kaahamanu Highway. The cemetery is built on Pu'u O'o volcanic cinder cone, 559 feet above sea level, comprising nearly 14 acres of A'a lava rock. In addition to space for about 10,000 gravesites there are flagpoles, a parking lot, and a committal shelter. The site is landscaped with xeriscape vegetation. It is owned by the County of Hawaii and maintained by the Parks and Recreation.

This Veterans Nursing Home built in 2004 is in Hilo, next to the Hilo Hospital. It is a 95-bed nursing care facility. Owned and operated by the Hawaii Health Systems. It was named after Medal of Honor recipient Yukio Okutsu. The Home opened its doors for operation on November 12, 2007. Veterans Home is owned and maintained by State Department of Health, Hawaii Health System Corp.

Remarks:

- (1) Hawaii County supports both cemeteries and does a good job with its limited resources to maintain them. The need to improve turf trimming height and alignment of the grave site markers in the burial areas (as part of the Island of Hawaii EHVC No. 1 and No. 2 Gravesites Restoration projects presented by the DOD HIENG's engineering report and the compliance review of both Cemeteries on May 11, 12, and 13, 2016, by the National Cemetery Administration, NCA , compliance review team indicated that markers are not installed to proper height or alignment. Proper height and alignment of makers is a significant contribution to overall cemetery appearance and a key driver of customer satisfaction per the compliance team's report.) The appearance/maintenance of the cemeteries were satisfactory. Mahalo to the hardworking County staff who maintain the cemeteries as well as the Korean War Veterans/VFW Post 3875 in assisting the County by volunteering to pressure wash/clean the markers and plaques prior to Memorial/Veterans Day.
- (2) All features and memorials are in good condition.
- (3) Turf trimming height and alignment of the gravesite markers in the burial areas need to be improved.
- (4) The inspection indicates that the roads, curbs, walks and ramps are generally in good state of repair.
- (5) The pavilion is adequate to meet the needs of these cemeteries.
- (6) The columbarium at Hilo Veterans Cemetery No. 1 is in non-use status.
- (7) The columbarium at Hilo Veterans Cemetery No. 2 is Excellent.
- (8) The grounds showed "not much" ponding, poor drainage or unchecked erosion.
- (9) EHVC No. 2 in 2019 secured funds for the expansion of the existing maintenance building, painting of existing maintenance building roof, demo of existing flagpole and installation of three new flagpoles, new ornamental fencing and gates, and some landscaping and various plumbing, electrical and drainage improvements.

Picture 1 - This shows the memorial mounted on the tennis court fence with the Community Gymnasium in the background. The High School is to the right and the buildings and grounds are attractive and well maintained. The grassy area in front of the Memorial is used for occasional Community activities. ADA access is available on a sidewalk on the other side of the hedge. Please note that the memorial is not easily noticed and is not the center of attention.

Picture 3 – This is a close-up of the Memorial which is sheet metal in the shape of a shield honoring 10 Veterans. This is nicely done and well maintained and should be considered for a different mounting sometime in the future.

Name of Site: Lanai Veterans' Cemetery

Date: January 15, 2020

Type: Cemetery

Island: Lanai

Ownership: County

Description of Site:

The Kauai Veterans Cemetery is comprised of 15 acres located in Hanapepe, Kauai. The cemetery was opened in 1950 to accommodate the burial of Kauai's veterans and their family members. Recent renovations include upgrading the restrooms, committal shelter, and expanding the cemetery by five acres. It is owned and maintained by the County of Kauai, Department of Parks and Recreation.

This hospital is a State facility built in 1978 in honor of World War II veterans. It is a 49-bed community Hospital operated by the State to serve veterans and the others in the community. It is owned and maintained by the State Department of Health.

The Waimea War Memorial Swimming Pool is located at the Waimea High School. It was dedicated in 1955 to honor the brave soldiers from Kauai. A 12 inches by 24 inches plaque is mounted on the building fronting the swimming pool. It is owned and maintained by the State Department of Accounting and General Services.

The Makawao Veterans Cemetery is a 10-acre site located in Upcountry Maui. Entry into the cemetery is from Baldwin Avenue. The cemetery was established in January 29, 1951 to accommodate Maui veterans. Upgrades and renovations include a columbarium, restrooms, and a committal shelter. The AJA Veterans Club, Maui Chapter dedicated 18 inches by 24 inches bronze plaque mounted on most rock veneer located adjacent to the committal shelter and 5 feet by 4 feet granite headstone mounted in concrete to honor the MIA from WWII and the Korean War Veterans. This cemetery is owned and maintained by the County of Maui, Department of Public Works.

The cemetery is about a one-acre burial site with restroom facilities. A low rock wall fronts the property. A chain link fence encloses the remaining three sides of the cemetery. The cemetery was opened in August 1950. It is owned and maintained by the County of Maui, Department of Public Works.

The Lanai Veterans Cemetery was dedicated on March 31; 1997. It overlooks West Lanai above the Lodge of Ko'ele. The one-acre site was donated by the Lanai Company and now includes a committal shelter; water tank and flagpole. It is maintained by the County of Maui; Department of Public Works.
